Steven Jackson is the Senior Vice President of our award-winning, Broker Concierge Partner program for PrimePay. For more than a decade, Steve has been fostering strong relationships and empowering benefits brokers to grow their book of business. As head of PrimePay's Broker Concierge program, Steve leads a team of dedicated professionals who addresses their unique challenges and incorporates PrimePay's suite of services together with comprehensive strategies, tools, and marketing resources to overcome them.

Steve Jackson has led various teams that created a number of PrimePay's nationally recognized products and programs.

A thought leader in healthcare initiatives, Steve is an active speaker at industry events, as well as at PrimePay's monthly broker and employer-specific educational webinars.
